A MESSAGE FROM THE CHAIR OF YOUR BOARD

MARTIN GILLIS
VALLEY CREDIT UNION

The votes are in. I'm pleased to say that our members voted in favour of the amalgamation, however, East Coast Credit Union did not receive the two-thirds support needed. As a result, the amalgamation will not move forward as planned.

Thank you for your participation and support throughout the voting process. We remain committed to looking for opportunities to create more value for you, our credit union, and the communities we serve. We will continue to put your needs first and deliver the valued services you expect.
